## Chapter 126

"It's too late to go to Mojia now. Let's go again tomorrow morning."

Su Hua said coldly, "she has been married. What does it look like to live in her mother's house? Call her up and send her to Mu's house at once. "

As for mu family, it's Mu family's business not to let Su Zihan in.

Jiang Mei wanted to go to Mu's house with Zihan tomorrow morning, so she could help Zihan to talk with her.

Now Zihan is sent to Mu's house. Mu's house may not let her in.

"What should they do if they don't let Zihan in? Besides, Jin Yu went to the hospital. "

"It's her own problem not to let in." When Su Hua finished smoking, he said in a cold voice, "Jin Yu is in the hospital, so she will go to the hospital by herself."

"Honey, Zihan is asleep. I will let her go in the morning tomorrow." Jiang Mei asks for Tao, but she doesn't trust Su Zihan to go to Mu's house alone.

MOJIN couple know that the child is Su Zihan's own don't, will not give Zihan a good face at all. It's definitely a blessing to go to Mu's house.

Su Hua looks at Jiang Mei with his eyes begging, but he doesn't speak. He

gets up and walks to the stairs.

Suhua didn't return to his room. He went straight to the top floor.

When he went in, the light in the room was on, and Su ruocheu on the bed seemed to be asleep.

Su Hua walked softly and stood beside Su ruocheu's bed.

"Your sister is protected."

After su Hua said something, Su ruocheu turned over and the fingerprints on her face fell into Su Hua's eyes.

Su Hua's face suddenly sank. He turned to go downstairs and said to Jiang Mei in the living room, "now, let Zihan pack up for me and roll to Mu's house."

Jiang Mei just wanted to ask, Su Hua went back to the bedroom angrily.

She did not understand that Su Hua had just acquiesced to Su Zihan's staying at home for one night. How did she change her mind when she went to the next top floor?

It's su Ruo who first filed a complaint. No, it's impossible.

Su ruocheu has been crazy for seven years. Is it impossible to tell Su Hua that they have gone to the top floor?

Or did Suhua find out about them on the top floor?

Jiang Mei prefers the second possibility.

The result of the night's lingering is that su'an is too tired to open her eyes when Gu Mocheng gets up.

"Husband." She squinted and called lazily.

In front of him, Gu Mocheng is making a phone call. He holds his cell phone and looks back at the confused suan'an.

"Sleep a little longer."

"Oh." After answering the voice, su'an fell asleep again.

Gu Mocheng continues to talk to Mrs. Gu on the phone. Last night, Mrs. Gu tweeted about her daughter-in-law.

Although said, on the headline is Su Zihan, but saw Su an an's name, Gu old lady is anxious.

Old lady Gu called Gu Mocheng last night, but there were many calls, no one connected. When I got to Gu's house, Uncle Chen said that Gu Mocheng and them were outside.

No, she tried desperately to call Gu Mocheng in the early morning.

"Let an'anlai stay in the old house for a few days." Old lady Gu suggested.

In addition to caring about suan'an, the most important thing is that she wants to trick people to the old house.

Instead of the old lady, Gu refused directly, "she will go to school the day after tomorrow. There is no time."

"Your father and the principal know each other. It's ok if you don't go to school. You can graduate." Said old lady Gu.

Gu Mocheng sneers, "you'd better let dad buy it for Ningcheng University, so ANN can go if she wants to, and stay if she doesn't want to."

"It works." Old lady Gu thinks this method is feasible. In order to see her daughter-in-law, she will give up more money.

The more anxious Mrs. Gu is to see su'an, the more uneasy Mr. Gu is.

I gave the man to old lady Gu. I'm not sure what she's going to do.

"Well, Ann is sleeping. She doesn't talk." Said Gu Mocheng.

"It's ten o'clock, why are you still sleeping?" "I can't get through the phone last night," said Mrs. Gu strangely.

She thought, thinking of a possibility, "you won't be all night last night."

GU asked implicitly, and Gu Mocheng said directly, "yes."

"Is there anything else to say?"

"Cheng Cheng, Ma is still saying that. You are not young. You should be restrained in this respect."

After hearing old lady Gu's words, Gu Mocheng regretted that he should have hung up the phone directly instead of asking what she wanted to say.

Every day listening to his parents say that he is not young, he doesn't like the feeling of being rejected.

Without waiting for Mrs. Gu to go on, Mr. Gu has hung up the phone.

Gu Mocheng still has something to deal with. When he left, he looked at suan'an, who was sleeping soundly. He hooked up his mouth and smiled. He leaned down and kissed suan'an on the forehead.

"I'll go first." Su'an was awakened by his kiss, squinting his eyes and sleeping again.

The little girl was tired by him last night. She dare not tease him next time.

When Suan woke up, it was one o'clock in the afternoon.

Last night's greedy and happy caused his whole body tired, sleeping so late people still feel tired. She got up to look at the suite and didn't see Gu Mocheng. Later, she slowly remembered, as if Gu Mocheng had told her to go to the company in the morning.

There are delicious food in the living room outside. Su'an smells the fragrance and is hungry. The "googoogoo" is louder.

She opened her cell phone while eating.

There are many mobile phones, only one from Suhua, and the others from Fu Xin.

Seeing so many phone calls from Fu Xin, Su an is sure that last night's events were all on the Internet.

She didn't rush to open the Internet to see Su Zihan, but first called Gu Mocheng.

I didn't see him for a while. She missed him.

After receiving a call from suan'an, Gu Mocheng is having a meeting.

In the meeting, Gu Mocheng forbids anyone to answer the phone, but his cell phone rings.

Gu Mocheng asked everyone to have a half-time break. He got up and went outside to pick up su'an's phone.

"Awake?"

"Well." Su'an is very hungry, eating and talking with Gu Mocheng.

Gu Mocheng frowned at the sound of her swallowing. "Eat first, then call me."

"Husband." Suan'an cried. [www.onlinefreenovels.com](http://www.onlinefreenovels.com)

"It's no use being coquettish." Gu replied, "honey, you eat first, and I'll call you later."

Gu Mo said that in Chengdu, Su an had to deal with it.

"Grace."

Last night, not only the faces of Su's family and Mu's family, but also those of Jiang's family were lost.

Jiang Mei got up early and arrived at Jiang's house.

Old lady Jiang must be angry about the wedding, but she is not angry that Su Zihan killed her child and framed Su An'an.

There is no unselfish woman in the Jiang family.

Jiang old lady is angry because Su Zihan, Su an an married Gu Mocheng, and then killed her baby grandson's lifeblood.

The decoration of Jiang's house is extremely luxurious. Even the carpets at the door are specially made by foreign people, and they are renewed every day.

Jiang's family is a hundred year old clan in Ningcheng. Originally, they were ranked behind Gu's family. Later, because Jiang's family was not good at management, their status was not as good as before.

But Jiang's family themselves don't think so. Even if they fall, they have a deep foundation in Ningcheng. They always bully others and can't let others bully them.

When Jiang Mei entered, the atmosphere in the lobby of the Jiang family was extremely oppressive.

Old Mrs. Jiang was sitting in the middle of the sofa with crutches. In front of her stood a dozen young girls. Behind her were the servants of the Jiang family.

## Chapter 127

Suddenly there was a movement on the second floor. A girl ran down from the upstairs crying. Her clothes were torn and her skin was exposed. In addition to the bruise on the skin exposed outside, there were several slaps on her face.

Seeing the situation of the girl running down, a dozen other girls in the lobby were afraid.

Old lady Jiang looked at the girl coldly and said to the servant behind her, "another one."

At the old lady's words, a dozen girls all backed away, afraid to call themselves.

The girl who was called didn't want to go upstairs. She knelt in front of old Mrs. Jiang in a panic. "Old lady, please forgive me."

"I don't want the money. I'm going home."

"Take it up." Old lady Jiang was not moved at all by the girl's entreaties and asked the servant to take her upstairs.

The girl began to cry in fear. It was useless for her to cry and beg. She was dragged to the room on the second floor by the servants of the Jiang family.

Before long, there was movement upstairs, all girls crying.

The cry was shaking with fear from the other girls downstairs. Even Jiang Mei, who had just entered the door, was frightened.

Only old Mrs. Jiang kept her eyes closed, unaffected by the cries around her.

"Mom." Jiang Mei comes forward and calls out.

Old lady Jiang didn't open her eyes. She said quietly, "here you are."

I guessed that Jiang Mei would come to Jiang's house early in the morning.

"How is Zihan?"

"I went to Mu's last night." Jiang Mei said, in front of old lady Jiang, don't say Su Zihan is afraid, she is also afraid of being a daughter.

Old Mrs. Jiang is used to controlling other people's affairs. She is especially domineering and prefers to be the heirs of her family. Even if Jiang Mei is her own daughter, she doesn't like it much.

Maybe it's because Jiang Mei loves her daughter very much.

"But back again."

Jiang Mei was upset at the thought of what happened last night.

At the wedding banquet, the Mu family knew that Su Zihan had killed their grandson selfishly, and they were very angry.

Last night, Su Zihan was sent out of the Su family by Su Hua. When she arrived at the Mu family, she was not allowed to enter.

Say what MOJIN couple have fallen asleep, let Su Zihan go back.

It's funny. Su Zihan is the daughter-in-law of Mu's family. Go back? Where to go?

Su Zihan makes a fire towards the servant of the Mu family, but carries his luggage back to the Su family. Back to the Su family, Su Hua said she had married to the Mu family and let Su Zihan go.

Jiang Mei can only arrange Su Zihan to stay in a hotel outside.

"You have done it yourself." Old lady Jiang sneered.

"If you had not made up your mind to let su'an take the place of Zihan, would there have been anything at the party last night?"

Old lady Jiang opened her eyes as she spoke. Because she has been in charge of the power of Jiang's family for a long time, old Mrs. Jiang is used to her superiority, and her eyes are sharp and disdainful.

It seems that no one can enter her eyes.

It depends on Jiang Shengxu. There is warmth in the eyes of old lady Jiang.

"I even gave up Gu Mocheng to climb Mu Jinyu, who is not a success of the Mu family."

Although mujinyu has set up a company outside, old Mrs. Jiang doesn't look up to it at all.

The marriage with Gu family was ten years ago. Old Mrs. Jiang absolutely forbids them to be together with Gu Mocheng. Now, the strength of Jiang family is backward. Her baby grandson is not a powerful role. She needs the support of Gu family.

I didn't expect that Jiang Mei's mother and daughter were blind and could not see Gu Mocheng. They sent su'an there.

"Mom, we know it's wrong." Jiang Mei said with her head down.

"But it's already like this. Can su'an climb up to our Jiang family?" Jiang Mei angrily tells old lady Jiang about Su An'an.

The video on the wedding banquet is obviously planned by Gu Mocheng. They can't move Gu Mocheng, but they can fight for suan'an.

Su Hua now needs money from Gu Mocheng and will not embarrass Su An'an.

So, Jiang Mei wants to borrow old lady Jiang's hand.

The old lady's baby grandson is ruined by suan'an. How can the old lady not hate Suan'?

Jiang Mei is clever. Instead of going on, she looks at the second floor of her eyes with a sad cry. "Mom, is Sheng Xu better?"

The sound of crying and crying upstairs, plus a dozen girls standing in the lobby, also know that Jiang Shengxu's illness is not good.

The doctor said he was out of work there.

For a lecher, that place is useless. It's not worse than making him die.

When it comes to Jiang Shengxu, the old lady's face sinks. She says coldly to Jiang Mei, "it's not going to your Su's house. He will look like this."

"Mom." Jiang Mei said wrongly, "I didn't know that Su an was so bold and dared to fight Sheng Xu."

In the eyes of their Jiang family, Jiang Shengxu has taken a fancy to su'an, which is su'an's blessing. Su'an has to lie down obediently and open his thighs for Jiang Shengxu to play with. Su'an rebelled against Jiang Shengxu and let the dog bite him.

"I'll ask An'an to apologize to you and Sheng Xu. She did not pay attention to our Chiang's family at all, relying on herself and Gu Mocheng. "

"Ma, su'an also said that Sheng Xu's place was abandoned. He deserved it."

"She is supported by Gu Mocheng. What can't we do with her?" Jiang Mei said, sighed, "it's true that last night at the wedding banquet, Zihan did something like that. We can only swallow our breath and dare not do anything to su'an."

Jiang Mei said sentence by sentence, putting all the blame on su'an, so that old lady Jiang could remember su'an even more.

"I just want to tie her up to apologize to you, but I can't help it."

Old lady Jiang Mei's words made her face colder.

When Jiang Mei was going to go on, the door of the room on the second floor opened with a "bang". The girl who came out first was the girl who had been sent up before. Her face was full of slap marks.

"Roll, all of you." Next to it was Jiang Shengxu's frantic voice.

Old lady Jiang listened to Jiang Shengxu's cry, then stood up to the sound of smashing things in the room.

She looked coldly at the girl in front of her. "A bunch of useless things."

In recent days, old lady Jiang has found many girls from outside and sent them to Jiang Shengxu's room. But these girls are not sleeping except for being beaten by Jiang Shengxu.

The fact that he was not sleeping means that Jiang Shengxu didn't respond to the beautiful girls.

It's useless. It's really useless there.

"I don't want to try again! It's no use. It's all useless. " I heard Jiang Shengxu's voice again, and I heard the old lady's heart wrenching.

If Jiang Shengxu's place is really abandoned, what about their Jiang family? Who will inherit the Jiang family.

Thinking of these things, old Mrs. Jiang felt both hate and heartache.

Jiang Mei stands beside old lady Jiang and knows what these girls are doing.

Frankly, it's for Jiang Shengxu to play. I want Jiang Shengxu's place to react!

Only her mother, old Mrs. Jiang, could come up with this method.

Jiang Mei suddenly had a very good idea. She came up to old lady Jiang and said, "Mom, you have to tie the bell to clear the bell."

Old lady Jiang turned to look at Jiang Mei. "What do you mean?"

"Sheng Xu is sick because of Su An'an. It's better to call him to have a try."

Whether su'an can let Jiang Shengxu react there or not, as long as she enters the door of Jiang's house, there will be no good life..

She was sure that Jiang Shengxu would think of ways to torture su'an when he saw her, and the old lady would not let su'an get well.

It's a perfect way to kill people with a knife.

## Chapter 128

How could the old lady not guess Jiang Mei's plan. However, Su an an has to pay for her grandson's appearance.

"Then bring her here."

"This" Jiang Mei hesitates to say, last time she borrowed purple han to lack bridesmaid, want to cheat Su an an with them.

Suan refused.

Besides, su'an seldom goes back to Su's house, and she doesn't know where Gu Mocheng lives. If she gives Su an a hand, Su Hua and Gu Mocheng can't spare her.

"Mom, you don't know that Suan has Gu Mocheng behind her. I can't do anything about her." Said Jiang Mei. She wanted the old lady to help.

She said, looking at the thinking old lady Jiang, "Mom, are you afraid to be angry with the old man and not dare to deal with su'an?"

Jiang Mei's words just dropped, the old lady snapped, "nonsense!"

Old lady Jiang finished drinking and said in a low voice, "if you can't bring me to suan'an, I'm the only one to invite you."

After having lunch, Su an fell into bed and had a good nap.

She spent most of the day in sleep. She couldn't be too tired last night. She

was so moved by Gu Mocheng's birthday gift that she could only make a promise by herself.

At about four o'clock, su'an, who was awake in bed, heard the door of the suite open. She quickly got up from the bed.

Those who can enter the suite without ringing the doorbell can only be Gu Mocheng.

She hurried out and saw Gu Mocheng come in.

Gu Mocheng's vision habitually falls on su'an's feet. Su'an has a bad habit of standing on the ground barefoot.

Su An'an realizes that Gu Mocheng is staring at her feet. She looks at her white feet, smiles at Gu Mocheng and returns to the room to give her slippers to the bed.

Gu Mocheng came in with her. He stood behind her and looked down at the kiss in her collar.

Last night and in the early hours of this morning, there were so many people who loved each other so much that they printed many marks on her.

When thinking about it, Gu Mocheng looks at su'an with more gentle eyes.

"Husband." Su An'an turns around, she stands on tiptoe, reaches out her hand and circles Gu Mocheng's neck. "I miss you so early, don't you?"

She said happily. In front of Gu Mocheng, she showed her temperament more and more, and no longer pretended to be so reserved as before.

She knew that as long as she did not touch the bottom line of Gu Mocheng, he was up to her.

As she spoke, Su an kissed Gu Mocheng on the cheek.

Gu Mocheng hugs her waist and refuses to let her go.

"Dare to tease me?"

Gu Mocheng looks at su'an with deep eyes. Su'an naturally remembers last night and in the early morning. She blushes and whispers back, "don't tease you, who?"

Hearing Su an's answer, Gu Mocheng smiles, this girl.

"I want a birthday present. Which one?" Said Suan, stretching out his hand.

"Well?" Gu Mocheng looks at her doubtfully.

"Not last night." "My birthday is today," she said with a smile

"Not today."

"No, you have to make it up to me?" Suan stared at Gu Mocheng's smile.

When I first saw Gu Mocheng, I thought that this man looks good, but he is always calm and doesn't smile.

Now, he laughs, and su'an is inexplicably happy.

It turns out that it's also a kind of happiness to let a man who doesn't know how to smile.

"Compensation?" Gu Mocheng deliberately misinterpreted su'an's meaning, "do you want to squeeze me out?"

He accentuated the word "squeeze dry" and su'an blushed.

Suan an's face is not as thick as that of an old man. She came out of Gu Mocheng's arms and said, "I don't want that."

As he said, Gu Mocheng reached out and took her to his arms. When he was about to kiss her, Su an laughed, "I have an appointment with Xiao Xin for dinner. Now I have to go."

Without waiting for Gu Mocheng to respond, su'an kissed the past first and then withdrew from his arms.

Gu Mocheng stands at the same place and watches Su an go to the bathroom. It's not teasing him! Half of it was done and he left.

Thinking about it, Gu Mocheng's face shows a dotting smile.

Gu Mocheng drives su'an to the place he agreed with Fu Xin. As soon as su'an gets off, Fu Xin comes up.

Fu Xin came here in such a hurry that he wanted to have a look at Gu Mocheng.

Handsome guy, everyone likes it. He is such a handsome man.

Su an an looks at Fu Xin's face. After greeting Gu Mocheng, she pulls her away.

"Ann, you are too mean." Fu Xin complains that it's not enough for her to say one more word to Gu Mocheng.

"My man has to hide, of course." Said Suan.

Fu Xin looked scornfully at Su An'an and said, "color is more important than friends."

Finish saying, she thought of yesterday's matter, took out the mobile phone to ask Su An'an, "An'an, is the thing that says on the net true?"Fu Xin asked about Su Zihan's framing of Su An'an.

Su An'an nodded, "Su Zihan fell down on her own at the feast of Mu Laozi. After she was sent to the hospital, she said she had a miscarriage."

"Then as you can see on the Internet, she didn't want that child, so she let me carry the black pot."

The back of the black pot is too oppressive. If it wasn't for Gu Mocheng and Gu laoma, she would have been taken to the police station by Su Zihan and Mu Jin.

"The hearts of Su Zihan and Jiang Mei are too dark." Fu Xin said, "how to say, you are also su Zihan's sister."

"Though it's a different mother!"

Su An'an shrugs scornfully. Su Hua, the father, uses her as a tool, not to mention her half sister.

"But you have Gu Mocheng." Fu Xin said sincerely, "in the future, if you have anything, Gu Mo Chengdu will stand in your way."

"He's definitely a good man."

Fu Xin is sure that Gu Mocheng arranged the wedding banquet. Gu Mocheng's efforts to make su an innocent show that he will not let his wife suffer a little grievance.

Such a man is worth any woman to fall in love with.

"An an, hold fast, and don't let Gu Mocheng be robbed by other women." Gu Mocheng's only defect is that he is too eye-catching, too good, many women stare at the fat.

"That's nature." Suan nodded in agreement.

Who dares to rob her man? She kicks it.

Fu Xin was relieved to see Su an's ferocious appearance. No one dares to rob a man with Suan in such a powerful role.

"Ann, please have noodles." Fu Xin holds su'an's shoulder. She sees the kiss mark on su'an's neck and smiles, "today you are the birthday star."

Apart from gossiping with su'an about the wedding banquet last night, the main thing is to invite su'an to have noodles for his birthday.

After her sister lost her mind, only Fu Xin remembers her birthday. Every year, Fu Xin will spare time to accompany her to eat a bowl of sushi noodles.

The place to eat noodles is in the big gear. Su'an and Fu Xin know it nearby. She fought, Fu Xin called the police for her, it was Su Anan's birthday, and then naturally two people knew each other, Fu Xin invited a bowl of sushi

noodles.

This bowl of sushi noodles has continued until now. They have an agreement with each other. On whose birthday, the other party will have a bowl of sushi noodles.

A bowl of noodles and an egg witness the friendship between the two.

Su'an suddenly felt that she was really happy. God gave her a selfish father and her vicious stepmother and sister. But she met her best friend and was also favored by Gu Mocheng.

## Chapter 129

Marriage is not a rare thing in the business world, plus Su Zihan and Mu Jinyu are mutually interested. For the Su family and the Mu family, this is a happy event, and it is also a matter of no harm to Baili.

Just didn't think that two videos on the wedding party revealed that in order to frame Su An'an, Su Zihan would not hesitate to kill his own children and frame him up.

The MOJIN couple wanted a grandson to stabilize their position in the Mojia. Su Zihan beat the child without permission. In this way, they could not accept her entering the Mojia as before.

Mu's door can't go in, Su Hua doesn't let Su Zihan go back to Su's, and staying in a hotel is not a long-term way.

Jiang Mei wants to come and go, and takes Su Zihan to the hospital.

Anyway, Su Zihan is mu Jinyu's wife. She has the right to go to Mu's house.

In the ward of the hospital, Mu Jinyu's fall at the wedding banquet made the bone dislocate again. After he was fixed by the doctor, he dared not move around again. He was lying on the bed and kept by Madame Mu and the nurse.

When Su Zihan and Jiang Mei went in, Mu Jinyu was being scrubbed by a nurse.

When Madame Mu saw Su Zihan's mother and daughter, she suddenly pulled down.

Su Zihan goes to Mu's house. She knows. Mu Jin means that the daughter-in-law doesn't want her anymore. So does her.

Madame Mu thought of Su Zihan's selfishness in killing her child, and her heart ached. She really hated that she had no eyes. She believed Su Zihan's words and almost sent su'an to the police station.

She said that she had avenged her unborn grandson. How could she have expected her grandson's mother to be killed.

"My mother." Jiang Mei felt that the atmosphere in the ward was not right, and she said to Madame Mu shamefully.

Then, she pulled the clothes of Su Zihan and whispered, "Zihan, call people."

Su Zihan thought of Mu's family not allowing her to enter, and she was upset. She was unwilling to call out to Mu's wife, "Ma."

This "Ma" was changed after she and Mu Jinyu got the certificate.

At that time, after hearing this, Madame Mu opened a flower in her heart and

happily gave Su Zihan a big red bag. She also asked her and Mu Jinyu to hurry up and quickly let her hold her grandson.

Grandson? It's ironic to think of her grandson.

"Don't shout." "Madame Su, Miss Su," said Madame mu, with a calm face to the smiling Jiang Mei, "the relationship can't be scrambled."

Mu's family is now iron. He wants to give Su Zihan back. How can Jiang Mei and Su Hua do what they want?

"Dear mother, what do you mean?" Jiang Mei still said with a smile, "Zihan and Jinyu got the certificate. They are husband and wife."

This sentence, Jiang Mei deliberately accentuated the tone, remind Mu madam, marriage is not they want to retreat can retreat.

"Husband and wife?" Madame Mu sneers and laughs. Is there a wife who pushed her husband to the end at the wedding?

Jiang Mei pushes Su Zihan beside her, saying, "Zihan, help to take care of Jin Yu."

Mujinyu's hands are not convenient, so she needs a nurse to feed her when she has a meal, let alone go to the toilet to clean her body.

When Su Zihan came in, she happened to see the bodyguard wipe Mu Jinyu's body. She can't do this kind of care.

"Mom, there's a paramedic to take care of that." Su Zihan doesn't understand Jiang Mei's suggestion, but refuses directly.

She said, went to Mu Jinyu's side, soft voice said, "brother Jinyu, I'm sorry."

Mujinyu has been cold face since she came in. He saw that Su Zihan's tenderness and apology did not hurt as usual, but he felt disgusted with her hypocrisy.

He didn't want to marry Su Zihan very much. Knowing that Su Zihan killed his own child to frame su'an, he had more reason not to marry Su Zihan.

"Zihan, let's divorce."

Mujinyu said directly that he didn't want to spend any more time with Su Zihan. He was only qualified to go to su'an after he got divorced.

Hearing mujinyu's words, Su Zihan was shocked.

She came to be angry with Madame Mu and apologized to him wrongly. He didn't forgive himself for not saying it and said he would divorce.

www.onlinefreenovels.com

"Brother Jinyu, what do you mean?" Su Zihan asked with a loud voice.

When she finished, she realized that her voice had become shrill, which made Mu Jinyu and his wife frown tightly.

"Brother Jinyu, I'm sorry." Su Zihan receives Jiang Mei's warning and her voice softens.

"It's my fault. I shouldn't have killed our children."

"I really want to stay with that child, but I'm afraid that I'm afraid that there's something wrong with the child. If I have a disabled child, I'm not responsible for him." Su Zihan said, tears came out.

Now Mu Jinyu wants to divorce Su Zihan, but she can't understand her explanation.

Even if there is no wedding event, he is not as fond of Su Zihan as before. It will be sooner or later for him to dump Su Zihan.

"The doctor said the child was very well." To Su Zihan's explanation, Mu Madame sneers. She can see that Su Zihan is a selfish man and is not worthy to marry Jin Yu.

"Zihan, you and Jinyu have got the divorce certificate." Said Madame mu in a cold voice.

She doesn't like Su Zihan at all.

Killing her grandson is killing her.

Mrs. Mu and Ms. Mu Jinyu said that they were divorced. Jiang Mei couldn't laugh.

She sat on the sofa in the ward without the consent of Madame mu. "Madame Mu means to divorce Zihan and your son and leave the relationship between the two families clean."

Madame Mu listened to Jiang Mei's words, and then looked at the taunt of Jiang Mei's lips. She was stunned. This was Jiang Mei's real face.

"Yes." Said Madame mu.

"I will still treat Zihan as my daughter if I leave the marriage."

"Madame mu, Zihan is not suan'an." Jiang Mei said with a smile.

Madame Mu's words and Su An'an said that Su An'an is nobody's business, Su Zihan is not.

"Divorce?" Jiang Mei sneered, "I don't agree."

"My daughter even killed the child, but she was sleeping for two years by your son. Now when it comes to divorce, does she give your son a white sleep? " Jiang Mei quipped.

In the past, Jiang Mei and Madame Mu were always polite. How could they speak in such a sarcastic and sharp tone.

Madame Mu was annoyed by Jiang Mei. She replied angrily, "it's normal to have a relationship and break up."

"My Zihan wasted two years of youth on your son, and beat a child and ruined his body. You Mu's family want to get out of marriage now. There is no door. " Jiang Mei said in a cold voice, it's impossible to get out of marriage.

See Jiang Mei say firmly, Mu madam's voice is more exasperated, direct qualitative ask a way.

"What do you want?"

Because Jiang Mei's words, Mu Jinyu also looked over.

Jiang Mei pursed her lips and smiled. The cold on her face faded away. She spoke softly. "My dear mother, I mean, since Zihan and Jinyu are divorced, let them live a good life."

"Even if the previous events were over, our Zihan family would give birth to a child for mu family as soon as possible."

When it comes to "children", Su Zihan was still thinking about it. She didn't want to have children so early and make herself ugly.

She pulled down her face, and her unhappy expression fell into the eyes of Madame Mu and Mu Jinyu.

"I dare not." "I'm afraid that she will be abused if she gives birth to a child," said Madame mu

"It doesn't have to be born." She added another sentence.

Su Zihan's position in Mu's heart suddenly declined, and Mu's wife even felt that su'an was better.

If it wasn't for Su Zihan, their family Jin Yu would have been together with an an long time ago. Where would they make the old man unhappy? Where would they make the Mu family lose their face.

The more she thinks about it, the more she regrets it, and the more she thinks about it, the more blind she feels.

"Of course." Jiang Mei took over with a smile. "Zihan and Jinyu are young. It's not a matter of minutes to have children."

"My mother, there is no free lunch in the world. Suhua and my mother mean the same thing. Zihan and Jinyu have already got the certificate. She is the daughter-in-law of Mu's family. "

"You don't let Zihan enter the door of Mu's house, my mother's face can't hang."

"Besides, if you return someone to the Su family, the Su family and the Jiang family can't afford to lose him." Jiang Mei said with a smile and her head was dizzy.

What kind of family does she recruit for herself! For the first time, she met a hypocrite like Jiang Mei.

I can't stand it. Let her accept Su Zihan's entrance to Mu's house. She will die of anger.

However, Jiang Mei said every word that the Su family and the Jiang family, which is not to use the Jiang family to suppress her.

At the beginning, su'an was abandoned and Su Zihan was chosen because of Jiang's family behind Su Zihan. Jiang's family, they can't afford to offend now. This old lady Jiang is cruel and cruel. How can she have a good life if she offends her.

Madame Mu thought. She had to rest on her chair with a headache.

Seeing that Madame Mu didn't reply, Jiang Mei hooked up her lips and smiled. She went to Mu Jinyu's bedside and said to Mu Jinyu with a smile, "Jin Yu, our Zihan will give it to you later."

Mujinyu didn't want to ask again, but Jiang Mei put Su Zihan's hand on the back of his hand. He can't play the hand, only they can toss.

"Madame Su, I won't be with Zihan." Said Mu Jinyu.

"Jin Yu, you and Zihan are husband and wife. Besides, your mother has no opinion. "

Madame Mu has no opinion, she just has no words to refute Jiang Mei, afraid of offending the Jiang family.

"Madame mu, since they are married, they can't leave."

"Our Zihan is lovely. Please take care of it more later."

Jiang Mei sees the matter to be solved almost, she says to Su Zihan, "Zihan, take good care of Jin Yu here, mother goes home first."

"Mom." Su Zihan is not willing to let Jiang Mei go. She is still afraid to face Mu Jinyu and his wife.

"Not afraid." Jiang Mei patted Su Zihan's hand. "You are married now. You have to stay in your mother-in-law's house."

Said, Jiang Mei looked at Xiang Mu's wife and said with a smile, "besides, your mother-in-law is a reasonable person. She will not care about the past things with you. Even for the sake of looking at your mother-in-law, she will treat you well."

There are many meanings in this sentence. I can't breathe to hear Madame mu.

Jiang Meiming said that Jiang Mei and the old lady of Jiang secretly, they were not relying on the power of the Jiang family to suppress her.

No way, she has to leave here first, or she will be angry to death by Jiang

Mei.

Really is to do what evil, for his son Xiangzhong Su Zihan!

Mrs. Mu is more and more regretful, she stood up and left the ward first

Jiang Mei watched with a sneer that Mrs. Mu was angry, and then told Su Zihan to take good care of her, and then she left.

Su Zihan and Mu Jinyu are left in the ward. The atmosphere is awkward.

"Brother Jinyu, let me peel an apple for you." Su Zihan flatters Mu Jinyu.

Mujinyu gave Su Zihan a cold look. "Zihan, let's divorce."

As soon as he opened his mouth, he asked about the marriage. Mujinyu regretted that she had died with Su Zihan. He wanted to divorce her.

Su Zihan, who was holding the apple, was shocked. She didn't have Jiang Mei's patience. "Brother Jin Yu, what do you mean?"

"I'm so kind to you, why do you want to divorce me?"

Su Zihan said, thinking of su'an, "you want to divorce me to find su'an, right?"

When it comes to su'an, Su Zihan's voice has changed, and his face is full of bitterness.

Mu Jinyu looks at such a su Zihan and only feels bored. "Yes."

He said directly, "I don't love you. Don't pester me anymore."

When she loves, mujinyu holds her in the palm of her hand. If she doesn't love, let her go.

Mu Jinyu thinks beautiful!

"Don't think about it, Mu Jinyu." Su Zihan didn't want to put it on again, she said angrily, "I tell you, Mu Jinyu, you and I have got the certificate, you want to divorce me, it's impossible."

"If you dare to divorce me and find suan'an, my parents and grandma can't spare your family."

Men hate being pressed by women's status. Su Zihan's words make mujinyu hate her a little more.

Mujinyu's calm face didn't tell Su Zihan that she thought she had successfully let mujinyu give up the idea of divorce.

She smiled and said in a soft voice, "brother Jinyu, I'm sorry. I feel very sad when I hear about your divorce."

"You don't want to be angry with me, I will take good care of you, and then we will have a baby to make mom and dad happy as soon as possible." Su Zihan's "father and mother" refers to Mu Ma and Mu Jin.

Su Zihan's tone is now soft, even with tears in her eyes.

All this, Mu Jinyu looked at no pity, on the contrary, he felt so blind and Su Zihan together.

He felt more and more that it was suan'an.

Waiting for him to recover, he will catch up with Suan.

Mujinyu didn't want to talk to Su Zihan, so she closed her eyes and slept in the past.

Su Zihan sees Mu Jinyu sleeping in the past. She pinches the apple knife in her hand and hates to have mu Jinyu manage her with a knife.

She took a breath, thought of Jiang Mei's confession and restrained her temper.

The MOJIN family regretted and chose Su Zihan as their daughter-in-law. After seeing Jiang Mei and Su Zihan, they were disgusted with them and wanted Mu Jinyu to divorce her.

Su Zihan takes care of Mu Jinyu in the hospital. To tell the truth, where is the care? Su Zihan is holding a mobile phone and watching the caretaker take care of Mu Jinyu. By the way, she instructs the caretaker to help her cut fruit and pour water. Mu Jinyu can't stand to stay with Su Zihan, but he gets out of bed one step and Su Zihan follows one step.

But behind Su Zihan and Jiang Mei is Jiang's family. They dare not to offend. They can only bear their anger. And all this is just the beginning. Su Zihan has not yet lost her temper, which makes Mu's family in a mess.

Gu Mo is really cruel. He chose to release the video on the wedding of mujinyu and Su Zihan, which is to let mujinyu and Su Zihan entangle for a lifetime and make the mujin family restless.

After thinking about it for a day, Mrs. Gu is still worried about su'an. The main point is that she wants to be her own daughter-in-law. Without telling

Gu Zhen, she took two people to find Su an at Ningcheng University.

She didn't know what major she majored in or where she took classes. However, Gu Ziming, her baby grandson, was also at Ningcheng University. She called him out after a phone call.

Gu Ziming was playing an all night game in the Internet bar when he saw that the old lady's phone was hanging up.

However, the old lady even called. He didn't dare to hang up again.

It's worse to offend his grandma than Grandpa. As soon as grandma is old, she cries with her grandfather when she is wronged outside. Then, her grandfather is the owner of protecting his wife. No matter what the reason is, after hearing grandma's words, she goes straight to find someone to settle accounts.

Gu Ziming thought of his two ancestors and felt a headache.

"Grandma."

"Stinky boy, I'm at the gate of Ningcheng University. Come out and pick me up!" On the phone, Gu Ziming heard old lady Gu say.

Ningcheng university? Gu Ziming's brain is blank. It's over. Is grandma here to check his post?
